

Services

All the services Lorin provides are in service of helping each individual she touches, whether via her keynote speeches or the Big Fish Nation program, inspiring them to be their 'Best Self'. Lorin believes that life is a journey and it is up to us to be its students, to learn what we are here to learn and then step into being the responsible, impactful leaders that we are all capable of being. If you are an entrepreneur who is ready to raise your glass ceiling and your team's – and create more money, more joy, and more balance, check out our Big Fish Nation program. If you are looking for an inspiring message for your group or organization and want to inspire a group of women or entrepreneurs to go "big," Lorin is your gal! Check out our Keynotes and Workshops.

Keynote and Workshop Topics

Lorin has spoken hundreds of times to large and small groups all over the country. The consistent message that is heard after Lorin speaks is: "Thanks for not just the inspiration but the simple approach to success." Lorin helps her audiences learn how to grow their confidence, take bold actions, and become committed to be their best selves! After all, what else matters in life? Our world needs more of us to love what we are doing each day and be wildly successful at the same time.

Following are a list of Lorin's speaking topics:

- **Goal Setting: Using Hard Core Business Skills and a Spiritual Approach to Success!**
This program outlines the 7 components to goal setting. Many of these components are basic business skills but we add a twist with a spiritual approach to sprinkled in.
- **The Power of a Vision: Creating a Vision and having it Guide You Daily**
Vision is the key ingredient to success. We normally begin with it but lose it along the way. Keeping this vision as a real business tool is critical in the decision making process.
- **Work Life Balance: Is There Such a Thing?**
Lorin actually believes that with the right ingredients in place work-life balance is a mute point. She is not about creating a life that is so structured and limited. Instead she believes that we can have it all but we need to do life differently than

how we did it yesterday... there is a fresh new way that has us live more balanced naturally!

- **Men: What Do They Have to Do with Women's Success? *EVERYTHING!***
There are differences in how men and women work in the 21st century to get the job done and live fully. We need both brains to be authentically ourselves.
- **Creating Abundance through Law of Attraction**
How we think about money in our lives directly impacts how much we have. We are shifting to from a world of money to a world of meaning and how does this impact our level of abundance?
- **Energy awareness: Drives your business's bottom line.**
Our energy affects our culture, our sales, our marketing, our happiness even! Let's get more conscious about the energy we are creating in the world and in our business.
- **Team Culture: It All Starts Here**
Developing powerful teams is about being an advanced and conscious leader first. This program is excellent for company's entire team and will empower at every level responsibility and creativity.
- **Developing Wildly Success Leaders:**
It is a new world – Leadership in the 21st century. This program will help leaders step into a world that allows for more responsibility, more empowered leaders, happier leaders, and create a tone in any office that will support a company to grow into a more successful firm and provide better services to its customers.

Keynote and Workshop Formats

Keynote

The Keynote is 30-60 minutes and is ideal to begin – or end – your meeting, event or conference, and is designed for groups from 10 to 10,000+.

Half-Day Interactive Training/Workshop

The Half-Day Interactive Training allows for direct interaction with your group, and builds on the message of the Keynote with additional learning points and activities. Designed for groups of 10 to 10,000+.

Big Fish Nation

Year Long Business Development Program via Live Teleclasses

This program is the ultimate in personal and professional development. It consists of a series of 36 teleclasses that you participate in live, from the comfort of your own desk. There are three (3) teleclasses each month for an entire year. Combine this rich new learning with two (2) private one-on-one coaching sessions with your own professional coach. Combining teleclasses and coaching are sure to create wild change both in your business and in your own leadership style. For more information on this program...

Big Fish Nation: Self Study

This program contains the same content as the year-long program but you do it on your own via audio files. The self study program can either include private one-on-one coaching or not – your choice! For more information on the Big Fish Nation self study program...

Big Fish Nation Goal Setting

Lorin has had a vision for an online social networking website where people can set goals, build a community to support reaching those goals, and have an online place to check in on a daily or regular basis. This project is almost complete and will be launched in 2009. If you would like to be notified of it when it launches, please add yourself to our mailing list.

Lorin & Friends Free Teleclasses

Lorin is providing free teleclasses with her “friends” who are working on very cutting edge topics. Our first one was “Online Press Kits’ and why the public relations industry is changing. Other topics we will be offering: Law of Attraction, Relationship Strategies, and Social Networking. To be notified of these FREE teleclasses, [click here](#).
